

THE **BADGER** 1 PASSENGER

# GO ANYWHERE

## **THE BADGER: THE ULTIMATE STAND-UP, 4-WHEEL, OFF-ROAD ATV**

This one-of-a-kind, all-wheel-drive stand-up ATV built to conquer the toughest terrain. With independent suspension, 4-wheel drive, & a 45° climbing capacity, it's made for pure off-road action. A wide, reinforced standing platform gives you confidence & control wherever the trail takes you. For added versatility, the Badger can be outfitted with a range of optional accessories, including a rear basket, cup holder, trailer & more. Whether you're headed to your favorite hunting or fishing spot, tackling daily tasks around the ranch, exploring off-road trails, or just cruising the neighborhood—no task is beyond the Badger's power.

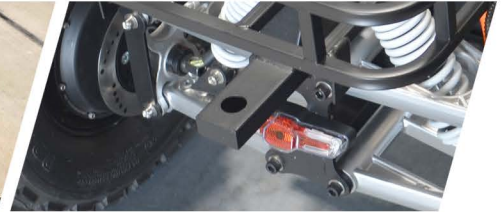

# FEATURES
